HOROSCOPE

For Sunday, March 1, 1998. ARIES (March 21 to April 19) Enjoy this day or rest. Get out and about and visit family members you haven't seen in a while. TAURUS (April 20 to May 20) A surprise could come in the form of an addition to the family... whether a pet or a person. A special celebration ensues. GEMINI (May 21 to June 20) You're sure you know how to implement that project. Others are reassured by this confidence. CANCER (June 21 to July 22) It's a good time to acquire a new skill, particularly if it's of a technological nature. Quick getaways provide a social outlet. LEO (July 23 to Aug. 22) Don't allow boredom and restlessness to spoil your day. Instead, look for ways to break out of that rut. VIRGO (Aug. 23 to Sept. 22) You make the acquaintance of someone who eventually becomes a close ally. Be sure not to ruffle any feathers on the home front. LIBRA (Sept. 23 to Oct. 22) Tension remains high early in the day, but it gradually abates. Look for activities you both can enjoy. SCORPIO (Oct. 23 to Nov. 21) You look for ways to beautify your home. However, turn to arts and crafts instead of shopping. SAGITTARIUS (Nov. 22 to Dec. 21) Your mate is on the outs with just about everyone. However, you go about your own business happily. CAPRICORN (Dec. 22 to Jan. 19) There's some tension in the family during morning hours. This happily dissolves as you go on a family junket. AQUARIUS (Jan. 20 to Feb. 18) Get in touch with a family member who's not feeling well. Perhaps you should visit and take a get-well gift. PISCES (Feb. 19 to March 20) Try not to fall into the same old trap. That person is baiting you once again.
